OUR SPACES

THE PDR (Private Dining Room)

Our semi-private dining space toward the rear of the restaurant allows groups up to 45 guests to celebrate together in an intimate setting, away from the bustle of the main dining room. Offering communal seated dining for up to 45, the space is flooded with natural sunlight for daytime events, and sparkles beneath gentle evening lighting at night.

Your party will enjoy dedicated service from a personal host, and personalised menus for that extra touch.
